"The capacity to learn is a gift; the ability to learn is a skill; the willingness to learn is a choice."

Brian Herbert

INTRODUCTION

Following an unexpected family tragedy in 2021, horses have come galloping into the KIDS Foundation world. Our CEO and Founder, Susie, tragically lost her granddaughter Bella to Spinal Muscular Atrophy (SMA). Following the celebration of Bella's short life, the family needed time together and decided to take a holiday, which included a horse ride. It had been more than 35 years since Susie had ridden a horse, however, that experience led horses to the KIDS Foundation.

Horses are very sensitive to emotional and verbal cues and for these reasons, horses now play a major role in KIDS programs. Empowerment, bonding and building trust with the horses has now found a special place in our Education and Recovery programs. These recovery camps have shown to have a positive effect on children overcoming anxiety and PTSD from traumatic events, promoting positive mental health.

We now have an equine-based program linked closely with our books "SeeMore and Carm" and "SeeMore Kindness" is aimed at helping children develop an awareness of emotional understanding and communication. More recently we incorporated aspects of the Equine Assisted Learning Program into Connecting Generations where the mini ponies interact with the children and residents of the aged care centre.

Horses also drive our fundraising. The Tour d'Horse event is not only the highlight of our annual calendar but also an important initiative supporting and funding the Foundation's Recovery and Education programs, now reaching up to 400,000 Australian children annually. It is important that we share with our readers that all of our camps, events, appearance and guest speaking attendances are fully delivered in a voluntary capacity by staff, board members, supporters and ambassadors, ensuring all funds raised go directly to KIDS Foundation programs.

In the 2025 Annual report we share memories from a busy rewarding year and more magical stories, many involving horses. We hope you enjoy reading, stay happy, healthy and safe.

A charity for children with traumatic life-altering injuries, burns, and rare genetic conditions that affect appearances and capabilities.

CEO & CHAIR MESSAGE

Together, we experienced the horse-human connection that touches lives, empowers futures and unite us, in ways we could only dream of. This report focuses heavily on an event that will allow us to deliver our commitment to improving the lives of children and young people affected by the most traumatic events that physically and emotionally change them forever. It will allow us to provide opportunities that build bright prospects, resilience, optimism, and through our education programs, empower healthy physical and mental wellbeing outcomes in a way that 'lets kids be kids'.

KIDS Foundation has created something extraordinary powered by purpose, love, and the unshakable belief in a brighter tomorrow.

Tour d'Horse serves as a powerful reminder that healing comes in many forms. When we combine the therapeutic power of horses with a meaningful cause, the impact stretched far beyond the ride itself. Thank you to all that took part in this powerful mission. Your generosity, compassion and belief in this cause has made it all possible and unforgettable.

We extend a heartfelt thank you to the devoted, driven, and loyal KIDS team: our staff, Board of Directors, ambassadors, volunteers, sponsors, and donors who realise the value of our work and carry the passion they have for KIDS Foundation with them wherever they go.

Kindest wishes,

Susie O'Neill
CEO and Founder

Jo Stuckey
Chair of the Board

ABOUT KIDS FOUNDATION

KIDS stands for - 'Kids In Dangerous Situations'

Our purpose is to help differently abled children and families in their recovery from horrific trauma, injuries and life-altering rare genetic conditions, and educate to promote safety and wellbeing.

The support we provide is life-long. Our people are of all ages, because little people grow to become big people!

Our Impact

We reach 300,000 to 400,000 children and families through KIDS Foundation Recovery and Education Programs each year. The support we provide is life-long, and our participants are of all ages.

Mission

Our mission is to 'Build Strong Lives' through empowerment, Recovery and Education programs.

Vision

Every child is safe, free from harm and injury.

Values

Trust, Loyalty, Kindness, Respect, Acceptance

WHAT WE DO

11 Camps and KIDS One-Day Camps were held in Victoria, New South Wales, South Australia and Queensland.

5000 Early Childhood Education Centres received SeeMore Safety program packs.

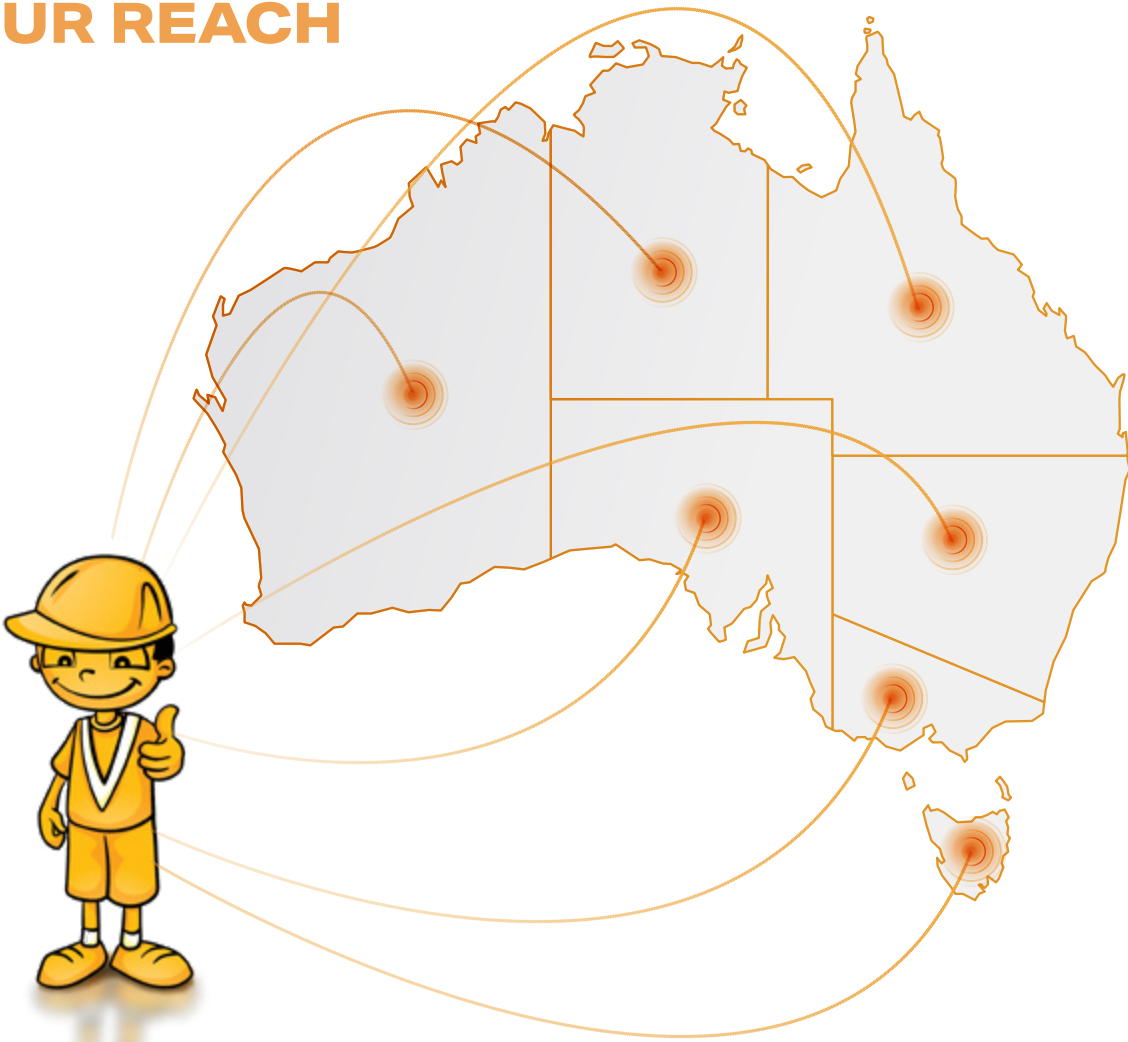

12, 548 support hours were provided through one-on-one time, in group settings and at camps.

25,000 SeeMore Safety, SeeMore Kindness and SeeMore and Carm Activity and Story Books were printed and distributed to children throughout Australia.

OUR PROGRAMS

Recovery

In our Recovery Programs we celebrate all abilities, offering support, camps and recovery programs for children and families following traumatic events that change lives and capabilities.

Education

We educate and empower children to learn about safety and wellbeing, while still allowing them to be kids.

We do this nationally through Early Childhood Education Centres and preschools, using our series of SeeMore Safety programs and activities. These include children's story books, incursions with visits from SeeMore, Connecting Generations – Adopt a GrandBuddy and even Miniature Horses. Our programs help children understand their emotions, physical capabilities and manage risk so they can live healthy, happy and safe lives.

RECOVERY

Thanks to the amazing support of Move 4 Bella, this year our Recovery program expanded from supporting those impacted by life-changing injury, burns and trauma to also supporting individuals and families affected by medical conditions such as SMA. This support had a profound impact on the children and families who attended Camp Phoenix in August 2024.

The positive effect of the horse-human connection continued throughout the year with equine assisted learning and other equine related activities being part of many of our Recovery Camps.

We are proudly delivering projects for the Peer Support and Capacity Building (PSCB) grant for the NDIS. This program aims to increase the skills, knowledge and confidence of people with disability by empowering them to be able to advocate for their rights and connect with support services. It also provides participants with opportunities to develop a social network with others who have similar lived experiences.

Empowering RIGHTS Program

This year, the KIDS Foundation launched Empowering RIGHTS (Resilience, Independence, Goals, Health, Togetherness, and Safety), a program co-created by young people with different abilities to build a social participation network supporting recovery from trauma. Focused on developing life skills, confidence, and independence, the program fosters resilience and positive connections through camps and group activities. Led by Erynne and Mia, Empowering RIGHTS employs and engages differently abled youth and volunteers to promote inclusion. The first sessions included food handling and healthy meal preparation, inspiring some participants to explore careers in hospitality.

The Empowering RIGHTS Noosa-based team

*"All our dreams can come true
if we have the courage to pursue them."*

EDUCATION

CARHM Start Program

CARHM (**C**onnect**A**ctive **R**esilient **H**ealthy **M**indful) Start is focused on supporting the social, physical, and emotional wellbeing of children aged 3-4 years. Taking a holistic approach, it aimed to empower children to become Connected, Active, Resilient, Healthy, and Mindful.

A unique feature of the program was the inclusion of visits from gentle, trained miniature horses. These visits supported emotional development and social skills, offering children a rare and enriching experience.

This program was supported by Flora and Frank Leith Charitable Trust, Ballarat Connected Communities and the City of Greater Geelong

Connecting Generations

Our Connecting Generations program was implemented at Mecwacare in Darley, with children from Journey Early Learning Centre and our mini ponies Carm and Eleven Eleven.

We set up activities that brought both young and old together. The mini ponies were a highlight and moved calmly through the entire centre. Their gentle presence brought joy, comfort, and plenty of smiles.

It was heartwarming to see children and elderly residents connect through shared activities.

Equine Education

Through the KIDS Foundation's equine incursions, children are invited to explore a wide range of emotions and learn strategies to support their own emotional regulation.

Lexus Melbourne Cup Tour

In 2024, the Lexus Melbourne Cup Tour brought the iconic \$750,000 trophy to Iris Ramsay Kindergarten in Ballarat, creating a memorable day filled with joy, learning, and inspiration.

Our beloved miniature ponies, Carm and Eleven Eleven, starred alongside inspirational ambassador Steve Moneghetti.

Education - NSW

The SeeMore Safety program continues to have a big impact across the Newcastle, Lake Macquarie, and Hunter Valley regions. In 2025, more than 72 early education services received engaging safety education sessions.

A highlight of the program was the opportunity for children to interact with mini ponies Carm and Eleven Eleven. These character visits brought the narrative to life, helping to reinforce core kindness messages in an interactive, fun, and memorable way.

A generous donation from Lake Macquarie City Council enabled the KIDS Foundation to take part in this year's "You're Kidding Me" expo. The event welcomed 123 adults and 101 children and proved to be a valuable platform for community engagement.

We are proud to see the continued expansion and recognition of the SeeMore programs and are grateful to our community partners for their ongoing support in helping us make a lasting difference in children's lives.

EVENTS + AWARENESS

Welcoming Makybe Diva to KIDS

On her 26th birthday, champion racehorse Makybe Diva was named an equine ambassador for the KIDS Foundation during a special event at Flemington Racecourse. Makybe will now support our education and recovery programs, promoting kindness, empathy, and resilience. Makybe was even presented with a unique horse-friendly cake to top it off!

Noosa Triathlon 2024

70 athletes represented the KIDS Foundation in the Noosa Triathlon, raising an incredible combined total of \$152,730. There were many athletes who exceeded the \$1,500 goal, including Kai Huang, Matt Howarth and Jack Tung. Athletes heard the stories of survivors and how they persevere and overcome the challenges they face on a daily basis, which deeply motivated them for their races. Well done to all!

Caulfield Charity Family Day

The 2024 Caulfield Family Charity Day, held on September 21, was a celebration of community and kindness. It raised a total of \$24,617.89 for the KIDS Foundation, supported by our awesome ambassadors Anthony Koutoufides, Steve Moneghetti, and Luke Power, along with volunteers and Exford Primary School students.

Hot Temple Tri 4 KIDS

We had 5 individuals and 17 teams give it their all, and the energy on the day was nothing short of inspiring.

A special shoutout to the KIDS Foundation Ambassadors for giving this event such a meaningful purpose, and to the Ballarat Hot Temple Fitness studio members for their support. Together, we raised an incredible \$7,500!

Together, we raised \$7,500 to support children who have faced trauma and injury. Every dollar makes a difference, and it's all thanks to the generosity of the Ballarat Hot Temple Fitness community. We're so proud of what we've achieved—bring on next year!

Equitana

Our minis, Carm and Eleven Eleven, were a huge hit, helping start meaningful conversations about the work we do. We were even lucky enough to connect with supporters like Will Rogers and Travis Cloke.

A big thank you to our ambassadors Simon Wincer, Abbie McKay, Luke Power, Alex Cincotta and Matt Thiele for helping us.

Bendigo Equine Expo and Trade Fair

The KIDS Foundation was invited to the inaugural Bendigo Equine Expo.

Our horse float and mini ponies, Carm and Eleven Eleven, were a crowd favourite, drawing visitors to meet youth ambassadors Ashton, Cadin, and Awheata. Their personal stories highlighted our impact and helped raise awareness.

AON Leadership and Growth Conference

AON Leadership and Growth Conference on the Gold Coast. Matt and Spencer's talk deeply moved the room, earning a standing ovation.

That evening at the Gala Dinner, the total amount fundraised was revealed - an incredible \$188,539.

AICD NSW Annual Lunch

Speaking before 250 attendees at the AICD NSW Annual Lunch was a valuable opportunity to raise both awareness and funds, with \$8,471 raised for the KIDS Foundation.

Tamworth Music Festival Parade

The Tamworth Country Music Festival Parade was an unforgettable moment for the Tour d'Horse campaign.

We proudly rode in the parade to promote the Tour and were thrilled by the surprise honour of being awarded Best Equine Entry.

Tour d'Horse

Following the tragic loss of Bella, horses come galloping into the KIDS Foundation's world. Our beautiful granddaughter through her big sister, showed us how horses can comfort and heal in the most unexpected way. Horses now have a special place within KIDS Foundation.

Thanks to the unwavering belief and generosity of our supporters and donors, we didn't just meet our 2025 fundraising goal - we smashed it, raising an incredible \$1.17 million. This extraordinary achievement will have a lasting impact on countless lives across the country in the year ahead.

We extend a heartfelt thank you to the devoted, driven, and loyal KIDS team: our staff, Board of Directors, ambassadors, volunteers, sponsors, and donors who realise the value of our work and carry the passion they have for KIDS Foundation with them wherever they go.

Petstock Equestrian Victoria Interschool State Championships

KIDS Foundation was the official charity partner, supported by the Solomon Family Foundation and Boneo Park.

\$2,453 was raised for KIDS Foundation over the duration of the event

Boneo Park International Dressage Competition

Hosted by KIDS Foundation ambassador Amanda Ross, the evening boosted awareness of the foundation's work. Representatives Emily Morris and Naomi Maynard thanked attendees and highlighted the importance of the foundation's mission.

Newcastle Mini Ninjas

KIDS Foundation and Kumiai Ryu Martial Arts teamed up to host a community day in Newcastle, where children learned essential risk management skills and self-empowerment.

Thank you to Kumiai Ryu Martial Arts for this engaging and educational session!

Scenic Rim Truck Show

The inaugural Scenic Rim Truck Show was held on May 31 at Jimboomba Primary School, Queensland.

The community's generosity raised \$30,104 for KIDS Foundation, surpassing the \$20,000 goal. Key contributions included \$12,830 from auctions, \$6,000 from truck registrations, \$1,950 from ride passes, \$9,324 in merchandise sales, and \$2,000 from the school's P&C bar.

SPOTLIGHT & MEDIA

KIDS FOUNDATION AND VJA ANNOUNCE LIFE-SAVING PARTNERSHIP

The KIDS Foundation and the Victorian Jockeys Association (VJA) are proud to announce a significant new partnership and the launch of the JOCKEYS ARE FAMILY FUND – VJA, a dedicated initiative to support injured jockeys and their families. The fund will provide essential assistance to aid in recovery and improve quality of life for jockeys who have experienced trauma on the track.

This meaningful collaboration was officially launched at the 2025 Tour d'Horse—the KIDS Foundation's major fundraising event—where two of Australia's most recognised jockeys, Jamie and Ben Melham, will ride in support of the cause. Both have personal connections to the issue, with Jamie Melham reflecting on the vital support she received from the VJA after her own serious fall in 2023.

THE GRANT FAMILY

Back in 2010 the Grant Family came into the KIDS Foundation world through the Irvine Club fundraising lunch. The not-for-profit club generates funds for local charities. Matt Thiele, KIDS Foundation Youth Ambassador, was invited to be the guest speaker at just 13 years old. Now when you read the line-up of speakers that had previously spoken, Sam Newman, Rex Hunt, Sir Ian Botham, Sir Vivian Richards, Sir Richard Hadlee, Dermott Brereton, Billy Brownless, Robbie Slater, Allan Border, Kevin Sheedy, Sam Kekovich, Steve Bradbury and Tim Watson, just to name a few, this was a huge honour. Seated amongst the crowd was Justin and Paul Grant, who, at the time, were Directors of the family owned business Consolidated Property Services.

A couple of years down the track we received a call from Director of Consolidated, Eliza Hoppe, making some enquiries about the KIDS Foundation as they were looking for a new charity to support. That was in 2012, and today they are still one of the KIDS Foundation's most 'Trusted, Loyal and Kind' partners. Even after selling their business, the family continues to support the Foundation in many ways, especially Mary and John Grant - Founders of BIC Consolidated and the newly formed Maula Foundation.

They continue to make generous donations, mentor children, attend camps as volunteers and more, but the most treasured support is what John and Mary have done to help us create Tour d'Horse. John is an acclaimed polo player and has ridden in the first two, Tour d'Horse events at the young age of 70, along with his mate and internationally acclaimed Film Director Simon Wincer. Their team is named 'Team Thiele' inspired by the courageous young man Matt Thiele.

MATT THIELE

Matt Thiele was just three when he was trapped in a burning car as his horrified mother watched, back in April 1999. Matt has the cheekiest smile that couldn't be taken away, even on the day that was to change their lives forever. Doctors suggested to Matt's parents that they turn off his life support. They didn't.

"I was three at the time of the car fire but have no memory of it. The doctors had basically given up on me, they didn't think I would make it. They told my parents that if I got through and survived this, my quality of life would not be good. They even suggested to my Mum and Dad, they turn the life support off. Obviously, they didn't because I'm here. Thank goodness for that.

My life up until about 11 was pretty much going to places I felt safe like church and school, and avoiding going anywhere I didn't have to. When I went to the shopping centre it was like I was on show, people would crowd around me and stare. But then I found the KIDS Foundation and my life changed".

Matt started his first business at the age of 20. Starting with 1 vending machine growing to 11, he sold them in 2024 to start a new venture, Candle-Making. He loves that his candles create a warm, inviting atmosphere for others, whilst providing a soothing escape for himself. If you would like to follow along on Matt's aromatic adventure, please visit his website by scanning the QR Code:

OUR PARTNERS

KIDS IN VEGAS

Just one week before Christmas, the KIDS Foundation received a remarkable gift from Harris Plumbing Supplies and Vinidex—five all-expenses-paid trips to the 2025 NRL Season Opener in Las Vegas. Five deserving individuals were carefully chosen from the KIDS Foundation community for their resilience, contributions, and the challenges they have overcome through trauma and injury.

Day two was dedicated to the trip's highlight—the NRL Season Opener.

This extraordinary experience, was truly a once-in-a-lifetime opportunity—offering cherished memories and perhaps a taste of adventure for years to come.

THE GUARDIAN

Capturing childhood innocence, the bond with the horse, and the wisdom of maturity.

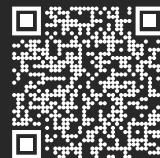

THANK YOU

A massive thank you to everyone who generously donated to KIDS Foundation in the 2024-25 financial year! Donations of \$500+ are listed, however we are grateful for every single donation we receive.
