

KIDS Foundation

TERM 4 BULLETIN

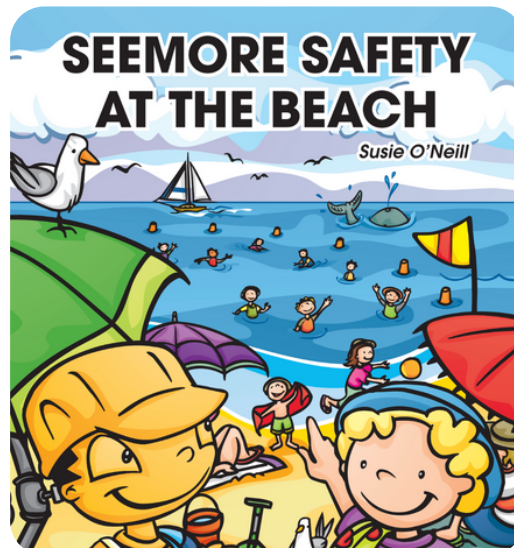

SeeMore's Top Tips for Getting Ready for school!

It's not all about knowing letters, numbers and how to write their name. Equally as important are the daily functional skills that may support your child to have the best foundation for learning.

Things you might like to practice include;

- Opening lunch boxes and packets
- Taking jumpers on and off
- Packing and unpacking bags
- Asking for help when needed
- Toileting - also showing where the toilets are at school?

It is also important that the school is ready for the individual children and their unique set of circumstances and needs. Establishing good communication with your child's new school is key. Speaking with them and sharing any relevant and important information will help them know more about your child and how best to support their needs!

How to stay "summer safe" in the hot weather!

There are many ways we can keep our children safe during summer.

- Drink lots of water & eat plenty of healthy foods
- Find shaded areas to play in, especially during the hottest part of the day
- Apply sunscreen (when buying sunscreen, check out what is in it to make sure there are no nasties)
- Actively supervise your children when near water
- Wear appropriate swimwear and clothing
- If at the beach, swim between the red and yellow flags

Check out our SeeMore Safety at the Beach book for more ways to stay safe during Summer.

You can find it in the virtual classroom, go to <https://classroom.kidsfoundation.org.au/classroom/each> or scan the QR Code:

Coming in 2026!

We are very excited to be adding 2 new SeeMore Safety books to our collection! SeeMore Safety Squad and Lottie and SeeMore To The Rescue!

Both books are engaging and help teach children a wide variety of safety tips in a fun and exciting new settings! Keep an eye out!

Thank you!

We would like to say a huge thank you to all the wonderful Kindergartens we have visited this year! SeeMore, Carm and Eleven Eleven have had the pleasure of meeting so many amazing educators and children in Victoria, New South Wales and Queensland.

Hopefully we will see you all again next year.

Thanks to the support from
